6:56pm	- Doing many activities throughout the day that focus on practicing fine motor skills, such as holding a pencil, cutting with scissors, gripping small items with tweezers etc. - Establishing a reading routine as a classroom. Recently read "Where the Wild Things Are" and incorporated an art project (made crowns) and re-enacted the story, - Lots of singing, dancing, movement and learning through play. - Developing math skills by doing puzzles, playing dice games etc. - Even with dramatic play they are practicing skills. Learning lots and having lots of fun. - Had both the AM and PM classes together as one group on a Friday and it went well. "Swim for Life Lessons" - Jill is very excited to confirm that the school was able to secure dates for the Swim for Life Lessons offered through the City of Calgary Parks and Recreation. These are swim lessons that focus on water skills, building confidence and being comfortable in and around bodies of water (students will not be "earning a badge" for completing a swim level, as you would with traditional lessons). - The dates are October 15-18, 2024 and will be at the Sir Winston Churchill pool. It was determined that the grades 1-5 students will be participating and not the Kindergarten students. The grade 1-5 students will be broken into 3 groupings and will be bussed to the pool in shifts throughout the morning. - The lessons are 40 minutes long and there will be a 10:1 student to instructor ratio. A questionnaire will be sent home to parents in the coming week, inquiring about your child's swim ability, which will assist with placement into a swim group. - Call for volunteers! 5 male and 5 female parent volunteers will be needed for each day (AM only), to assist with greeting the students at the pool, supervising in the change rooms and escorting students to the pool deck. Preferred if volunteers could meet students there (drive themselves). It takes many parents to make this experience a success for the students, so please consider volunteering! Lisa Stewart – Grades 3-4 and Learning Leader "Open Minds school" - This is a very popular curriculum enhancement opportunity and Scenic Acres School was very lucky to be chosen this year for participation. There are 3 different week long educational programs offered, being Stampede School, Telus Spark and Eco-Action. The Eco-Action program is offered at either Ralph Klein Park or the Inglewood Bird Sanctuary. - Each Grade 3-4 classroom has been assigned - This is a grant funded program, which is mostly funded (typically costs \$8,000/week/class). After funding, there is a cost of \$1,200 per grade 3-4 classroom (a total of \$3,750) remaining, which will be paid for by parent council. - Each grade 3-4 classroom will attend their assigned program as follows: Mrs. Stewarts class – Telus Spark – December 2-6, 2024 Mrs. Query's class – Telus Spark – December 9-13, 2024 Mrs. Brado's class – Eco-Action Park – May 5-9, 2025	Lisa

7:11pm	- The overarching question being asked is “How does challenges/struggle lead to change?” The main goal of this program is to improve growth mindset, build resiliency and perseverance skills and foster a “glass half full” view. - There will be a focus on the current Social Studies curriculum, which is centered on learning about Alberta (past, present and future) and the new Science curriculum. - As this is a week long, all day off site field trip, many parent volunteers will be required. Please save the dates on your calendars. Information on volunteer opportunities to follows. Both Jill and Lisa then left the meeting. Administrators’ Report Bill Updates: - This is Bill’s 4th year as Principal of Scenic Acres School and 32nd year as an educator. Has experience at all levels of education. Loves Scenic Acres School and tries to be active with school community and make connections with students. - School at record enrolment, currently sitting at 196 students. The projection is spring 2024 was 204 students. One of the benefits of the record enrolment, is that the school was able to split the Kindergarten classroom into an AM and PM class with 16 students in each - Current classroom numbers: Grade 1-2 classrooms: 20-21 students Grade 3-4 classrooms: 22-23 students Grade 5: 32 students - Due to the large number of students in the grade 5 classroom, Mrs. Lockerbie assists in the class in the AM. Also takes small learning groups for focused sessions. - <i>Question:</i> What time is recess and lunch and how much time is given to the students to eat their lunch? <i>Answer:</i> Recess is from 10:15-10:30am. Lunch is from 12:00pm to 12:50pm. All students are given 25 minutes to eat their lunch and are then given 25 minutes of outdoor play time. In this time frame, all students eat their lunch and then everyone heads outside together. Students are welcome to take a snack outside for morning recess. - Bill spends time in the Kindergarten room at snack time. He finds this is a great way to build social connection and community. Some of the current grade 1 students, who were in Kindergarten last year, missed “snack time with Mr. Garner” and have asked him to join them to each lunch on occasion. - The school welcomed Mr. McKay as the new caretaker this year: Mr. McKay has worked at Scenic Acres School in the past and is excited to be back. - <i>Question:</i> Can we look into the “boomerang lunch” policy? <i>Answer:</i> Yes, will discuss a composting program at the school for lunch time with Mr. McKay. Will also discuss the possibility of parent volunteers at lunch time to assist with composting and recycling. - Safety and Security is very important. First fire drill and lock down events have been conducted for this school year. Both went very well. Police were very pleased with the schools lock down procedures. Well done!	Bill

7:49am	Casino Chair Overview of general funds vs. casino funds. General funds are raised the fundraising team through events such as bottle drives, growing smiles, kernels popcorn sales. Casino funds are generated through participation in the AGLC’s volunteer casino event, where the school has the opportunity to raise upwards of \$80,000.00. This is a substantial amount of money that is vital to the support of curriculum enhancement opportunities, field trips, resources and technology for the students at Scenic Acres School. Without the funds from the casino event, parents would be directly responsible for payment of these items. Eligibility for this event is every 18-24 months. As such, council divides the funds in half, to ensure there is money available to spend over the course of 2 school years. We are coming into our next casino event, which will be held on Sunday December 8, 2024 and Monday December 9, 2024 at the Elbow River Casino. Many volunteers are required in order to make this event a success! We currently have over half of the positions filled and are actively recruiting for more. 7:56pm	Casino Account funding requests Janine, Eri and Jenny met with Bill and Heather to discuss the casino budget for the 2024-25 school year. There are many great events and opportunities being offered this year. Not all finalized quotes from vendors are available at this time. As such, we will be bringing motions forward throughout the duration of the school year as finalized quotes are provided from the school’s administration team. Motion to make a recommendation to SASES for the following expenditures from the casino account: \$1,500.00 - Literacy Resources \$4,876.80 - Art in motion \$2,872.00 - Soccer \$3,000.00 - Lacrosse \$850.00 - Evergreen Theatre \$3,000.00 - In-class experts (All grades) \$5,674.00 - Swimming (Grades 1-5) \$6,300.00 - Inline skating	Janine

8:01pm	\$3,750.00 - Open minds school (Grades 3-4) \$500 - Art resources Motion to Approve: Yvonne/Kenna - carried Fundraising - The following funds were raised from the September 4 bottle drive and popcorn sale: \$342.30 - bottle drive \$122.00 - Popcorn - Will be offering an "Old Dutch" Chip fundraiser this fall. An information flyer will be sent home in later this week in student's backpacks. Orders will be due September 25, 2024, with delivery sometime in the last 2 weeks of October (in time for Halloween!). - Will be offering the Growing Smiles fundraiser for Christmas (poinsettia's, festive planters, wreaths, door swags etc.) and are currently looking into another fundraiser to offer in conjunction.	Ashley and McKenna
8:05pm	Special Events Committee - Over 300 people attended the Welcome Back Breakfast on Friday September 6, 2024. The weather was beautiful and it was a great event. The coffee was donated from the Tim Horton's in Crowfoot! The total cost for the event was \$457.06, which is under budget! - Next event is the annual Halloween Dance, which will be held on Thursday, October 24, 2024 (the next day is a Professional Day and there is no school) Similar to last year, will hold the dance in two shifts, the first being for the Kindergarten, Grade 1 and 2's and the second for the grades 3, 4 and 5's. Suggested instead of hiring a DJ, a party box speaker could be used instead for the music and lights and a smog machine could be rented. For the Halloween Event, a party box speaker can be borrowed from the Community Centre. - <i>Question:</i> would council consider investing in a party box speaker to own for future events? <i>Answer:</i> Possibly. Yvonne to research the cost of a party box speaker and will present estimate at next council meeting for consideration. - End of year celebration (June 2024). Event was a success and was a great way to end the 2023-24 school year. Students enjoyed the different events for sports day and really enjoyed the big inflated climbing apparatus that was rented for the day. Total cost was \$1,702.28.	Flora and Yvonne
8:12pm	Healthy Hunger Previous school year income to report: - June 7 2024 Saucy Bread Co Sales: \$1,065.25 Profit: \$203.67 - June 20 2024 Mary Browns Sales: \$1,341.25 Profit: \$163.41	Eri (Liz absent)

8:18pm	- Missing the cheque from Healthy Hunger for the June 2024 events, which is currently being looked into. - The dates for the 2024-25 healthy hunger events have been approved with the school's administration team. Fun lunch will begin in October and there will be one fun lunch each month offered to the grades 1-5 students and a fun snack offered in the months of May and June, which includes the kindergarten students. We will continue alternating the fun lunches between subway and pizza for the duration of the school year. Last year's pizza vendor was problematic (late delivery, burnt pizzas). Another option for a pizza vendor is currently being looked into. Volunteer Coordinator - Organized volunteers for the September 6 Welcome back breakfast, which went well. - There will be lots of upcoming events that will require parent volunteers. Will put together the sign up for the upcoming swimming lessons and Halloween Dance, both of which are October events. Communications - First newsletter of the 2024-25 school year will be sent out at the beginning of October. Will email council committees to request submissions on September 24, with a deadline of September 29. - Will promote Vihara sign ups and the newsletter on Council's Facebook group. - Reminder to council chair to add the communications gmail account to the list of approved senders in the Vihara account. Key Communicator - The Key Communicator is responsible for attending the Community of School Council (COSC) meetings. COSC meetings are comprised of elected members of school council's throughout the CBE (elementary, middle school and high school), the Board of Trustees and representatives from CBE administration. COSC meeting dates for the 2024-25 school year are: October 23, 2024 April 23, 2025 Landscaping - Update on the outdoor learning commons (area with picnic tables and circle trees by the playground). Trees donated and planted in 2023. Water restrictions made watering over the summer difficult. Thankfully, we had a wet spring, which got the trees off to a good start. We had a very hot summer but did get some watering done, in between when watering restrictions were lifted in early July and reinstated in late August. There is new growth on the trees which is promising and the trees are becoming more established. One tree didn't make it. Another tree looks like it's making a comeback. Thank you to all of the volunteers that assisted with watering over the summer. - Might need more mulch in the spring of 2025. - The student planted garden boxes did not do very well over the summer, due to heat and inconsistent watering. There was also a substantial amount of weeds. - Graffiti on school building done in the spring. Really difficult to get off (done in chalk). Will look into if it needs to be pressured washed. 	- Bill: the skirting of the school looks old. Mr. McKay is looking into options for the CBE to fix it. Bike rodeo recap - Went great! Wonderful stations and really well received. Low cost and had a big impact on the students. Pedestrian & Traffic Safety - Currently working with Bill and Police to arrange first traffic blitz. - The speed indicator is back on Scenic Acres Boulevard. Chair - Council provided a welcome back breakfast for the teachers on Monday, August 26, 2024. Janine put together a lovely array of breakfast items and the teachers were very appreciative. - On June 6, 2024 a motion was electronically passed via email for the expenditure of \$450 from the general account for printing expenses for the Grade 5 yearbooks (the "June 2024 electronic vote"). Ratifying Motion to acknowledge the June 2024 electronic vote Motion: Laura/Krista – Carried	Krista Eri
	New Business Kick off to 2024-2025 school year! - Need more parents to sign up on Vihara so that they receive all information from council. Cannot send financial emails through school messenger by the school. We will continue to post on the Facebook page as well as have Bill send out a few more emails. - Council will have a table at the meeting the teacher night on September 26. Jen to make hand out to promote Vihara sign ups that can be given to parents at this event. - Operation coffee drop – confirmed that council will continue to deliver hot coffee once a month to the teachers, as an appreciation offer. Will be ordering 2 boxes per event this year, as there has been an increase in the number of teachers and staff at the school. Janine has offered to do first run on September 26. Laura to create sign up for council members for the remainder of the school year. - Who would like to run the table at meet the teacher? Laura to send out sign up. - A reminder to use the assigned council gmail accounts for council related communications. Motion to approve the following expenditures from the General account: Teacher classroom budgets for the year - \$1,100.00 Operation coffee drop - \$300.00 Special Events: Halloween event - \$750.00 Drop and Go sign repair - \$44.10 Motion: Krista/Glenda - Carried	Eri
